4   COUNTY OF MULTNOMAH                    )  
5   )

6   **AFFIDAVIT FOR SEARCH**  
7   **WARRANT AND ORDER**

8   **I.**

9                               I, Jason M Koenig, upon my oath, do hereby depose and say as follows:

10                   I am a sworn police detective for the Portland Police Bureau. I have been a peace officer  
11 since September of 2001 and currently hold an advanced certification. I have been a detective  
12 since October of 2018 and I am currently assigned to the Homicide Detail. I have received over  
13 2300 hours of training regarding criminal investigations and law enforcement techniques. I have  
14 attended and graduated from the Oregon Department of Public Safety Standards and Training  
15 (DPSST) Basic Police Academy, the Portland Police Bureau Advanced Academy and a DPSST  
16 certified Detective Academy. During my employment with the Portland Police Bureau, I have  
17 worked in uniform patrol, as a motor officer in the Traffic Division and my current assignment  
18 as a detective. I have participated in various felony and misdemeanor criminal investigations  
19 including, but not limited to homicides, assaults, robberies, weapons offenses, sexual assaults,  
20 drug offenses, and vehicular crimes. These investigations involve making arrests, collecting  
21 evidence, conducting interviews, analyzing police reports, applying for and executing search  
22 warrants and working in partnership with the District Attorney's Office. Prior to becoming a  
23 police officer, I received a Bachelor of Science Degree in Finance from Portland State  
24 University.  
25  
26

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3                   **II.**

4  
5           I am currently involved in the investigation of Portland Police Bureau case number 23-  
6 77440; the murders of ESKENDER TAMRA, a black male, date of birth January 14<sup>th</sup>, 2006,  
7 BABU DAUDI, a black male, date of birth January 1<sup>st</sup>, 2004, and PATRICK JOHNSON, a black  
8 male, date of birth June 21<sup>st</sup>, 2002. This incident occurred on March 25<sup>th</sup>, 2023, at approximately  
9 12:20 PM, in the 8700 Block of North Foss Avenue. TAMRA, DAUDI and JOHNSON all  
10 suffered from multiple gunshot wounds and were pronounced deceased at the scene.

11  
12           Ballistic testing conducted on cartridge casings collected from the murder scene on Foss  
13 Avenue linked the case to cartridge casings collected from Portland Police Bureau case number  
14 22-32900; a shooting that occurred outside Cleveland High School, located at 3400 SE 26<sup>th</sup>  
15 Avenue, on December 12<sup>th</sup>, 2022. The investigation of the incident at Cleveland High School  
16 suggests there was an exchange of gunfire between two groups of subjects. Based on the  
17 investigation, it is believed that OMAR MOHAMMED OSMAN and ELIJAH SARINANA were  
18 the subjects who would have been in the vicinity where the cartridge casings linked to the  
19 shooting on Foss Avenue were recovered from.

20  
21           On June 21<sup>st</sup>, 2023, Portland Police Officers served a search warrant on the residence of  
22 OSMAN, located at 2892 SE 90<sup>th</sup> Place. This warrant was related to an injury shooting that  
23 occurred on May 26<sup>th</sup>, 2023, in the area of SE Holgate Boulevard and SE 75<sup>th</sup> Avenue, City of  
24 Portland, County of Multnomah, State of Oregon, and has been assigned Portland Police Case  
25 Number 23-137836. While searching the residence of OSMAN, Sergeant John Billard observed  
26 a pair of shoes that appeared identical to shoes worn by one of the suspects in the Foss Avenue

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3 murder.

4  
5           This affidavit is in support of a search warrant to:

- 6
- 7           • Collect a pair of Nike tennis shoes from the residence of 2892 SE 90<sup>th</sup> Place, City  
8           of Portland, County of Multnomah, State of Oregon.
  - 9           • Collect and analyze four buccal swabs, for DNA testing and analysis, from the  
10          person of OMAR MOHAMMED OSMAN, a black male, date of birth August 6<sup>th</sup>,  
11          2005.
  - 12          • Search the residence and curtilage of 2892 SE 90<sup>th</sup> Place, City of Portland, County  
13          of Multnomah, State of Oregon.
- 14  
15  
16

17                   **III.**

18  
19           This affidavit is intended to provide probable cause to support the issuance of a search  
20 warrant and does not set forth all the information obtained during the course of this investigation.  
21 I have probable cause to believe that objects of this requested search relate to an offense triable  
22 in the County of Multnomah, State of Oregon.

23  
24           On March 25<sup>th</sup>, 2023, at approximately 12:45 PM, I was paged by Sergeant Michael  
25 Myers, of the Portland Police Bureau, and directed to respond to the area of North Foss Avenue  
26 and Foss Court for a homicide investigation. Preliminary information provided by Sergeant

**IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
**FOR MULTNOMAH COUNTY**

Myers was that three deceased subjects had been found inside a vehicle at this location and the suspects in the shooting were outstanding. I arrived at the scene at approximately 1:38 PM and observed Foss Avenue had been cordoned off with police tape from Hunt Street to Houghton Street. I observed in a crime scene had been established near the intersection of Foss Avenue and Foss Court. I observed a gold Kia Optima, bearing Oregon license plates 646GLE, in the middle of Foss Avenue. The Kia Optima appeared to have crashed and was facing in a northeasterly direction in the middle of the roadway. I observed what appeared to be multiple bullet strikes to the body of the vehicle and all four passenger windows were broken out. I walked the scene and observed numerous spent cartridge casings laying in the roadway around the gold Kia and near a driveway a short distance north of the Kia. I observed there were three deceased male subjects inside the gold Kia. Looking into the gold Kia from the outside, multiple spent cartridge casings were visible inside the car.

Once the entire investigative team arrived to the crime scene, I attended a briefing that included the original responding patrol officers. In the briefing, I learned the following information:

Officer Louis Parry was the first officer to arrive on scene and located the victim vehicle in the middle of Foss Avenue. Officer Parry advised all of the doors on the victim vehicle were closed upon his arrival. Officer Parry opened the car doors to attempt to provide aid to the victims and observed three black male subjects inside the vehicle. Officer Parry said paramedics from American Medical Response arrived on scene and pronounced all three subjects deceased.

Officer Cuong Nguyen advised he arrived and canvassed for video surveillance and

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3 witnesses. Officer Nguyen stated he spoke with a witness named ARVELO MIDIAN  
4 DELAROSA, a Hispanic Female, date of Birth January 5<sup>th</sup>, 1971. Officer Nguyen advised  
5 DELAROSA stated she had been notified by her “Alexa” of movement in front of her house.  
6 DELAROSA told Officer Nguyen that she looked out her window and observed three subjects  
7 walking up the roadway in front of her house. DELAROSA said the three subjects began  
8 shooting at the victim vehicle, which then crashed. DELAROSA said the three subjects on foot  
9 then ran up to the crashed vehicle and continued shooting into the vehicle. DELAROSA told  
10 Officer Nguyen that she hid at this time and did not see anything further.

11  
12           Officer Nguyen provided me with video surveillance he had collected from the occupants  
13 of 8803 North Foss Avenue. I viewed the video, which showed three subjects, all wearing  
14 hooded sweatshirts and masks on their faces, walking northbound on Foss Avenue. I observed  
15 the victim vehicle approach the subject’s location, driving southbound on Foss Avenue. I  
16 observed all three subjects raise what appear to be firearms and shoot at the victim vehicle as it  
17 passed by southbound on Foss Avenue. I then observed the victim vehicle crashing into a parked  
18 car on the east side of Foss Avenue and then spinning out of the view of the camera footage. All  
19 three subjects on foot are observed running in the direction of the crashed vehicle and numerous  
20 gunshots are heard audibly for several seconds after the subjects run out of the view of the  
21 camera.

22  
23           Officer David Salazar stated he spoke with a witness named ASHLEY ALLEN, a white  
24 female, date of birth May 11<sup>th</sup>, 1984. ALLEN told Officer Salazar that she was looking out her  
25 front window and observed three males in hoodies walking on Foss Avenue. ALLEN said a  
26 short time later, she heard 20-30 gunshots and then saw the same three subjects running

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3 southbound on Foss Avenue. ALLEN described all three subjects as skinny teens.  
4

5           Officer Colby Marrs stated he spoke with a witness named RICHARD JANOSEK, a  
6 white male, date of birth May 5<sup>th</sup>, 1985. JANOSEK told Officer Marrs he heard the gunshots  
7 and went outside of his residence. JANOSEK told Officer Marrs he then observed three male  
8 subjects with their hoods up, running southbound on Foss Avenue to westbound Hunt Street  
9 where they got into a black Kia Sorrento sport utility vehicle with no license plates. JANOSEK  
10 told Officer Mars the Kia Sorrento fled the area traveling eastbound on North Hunt Street.  
11

12           At the conclusion of the briefing, criminalists and detectives with the Portland Police  
13 Bureau began to process the crimes scene. Detective Jeff Pontius applied for a search warrant  
14 for the victim vehicle, which was issued by Judge Katharine von Ter Stegge at 05:58 PM on  
15 March 25<sup>th</sup>, 2023. In the search of the scene and vehicle, over 50 spent cartridge casings were  
16 recovered. A 9 millimeter pistol with rifle stock was located and seized from the rear floorboard  
17 of the victim vehicle. Upon inspection of the firearm, the magazine was loaded with one round  
18 short of capacity. Three cellular telephones, believed to belong to the victims, were collected as  
19 evidence from inside the victim vehicle and later delivered to the Portland Police Digital  
20 Forensic Unit. Medicolegal Death Investigator John Kelley conducted a preliminary death  
21 investigation and removed all three victims from the vehicle. The victims were ultimately  
22 identified as DAUDI as the driver of the victim vehicle, TAMRA as the front passenger of the  
23 victim vehicle and JOHNSON as the rear passenger of the victim vehicle. Medicolegal Death  
24 Investigator Kelley arranged for the bodies of the deceased to be transported to the Oregon State  
25 Medical Examiner's Office pending post mortem examinations.  
26

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3                   On March 26<sup>th</sup>, 2023, I attended the post mortem examination for DAUDI. On March  
4 27<sup>th</sup>, Detective Winters attended the post-mortem examinations for TAMRA and JOHNSON.  
5 Doctor Nicole Stanley conducted all three examinations and concluded that all three victims died  
6 from gunshot wounds and the manner of death for each victim was homicide.

7  
8                   Photo Reproduction Specialist Mark Webber was assigned to collect video surveillance  
9 from multiple residences located during a canvass of the scene. Specialist Webber provided me  
10 with video surveillance from 8704 North Wayland Avenue, 8705 North Foss Avenue, 8758  
11 North Foss Avenue, 8803 North Foss Avenue. Officer Amy Li collected and provided me with  
12 surveillance video from 4420 North Houghton Street. The video collected from 8704 North  
13 Wayland Avenue shows a black Kia Sorrento, with no license plates, parking on North Hunt  
14 Street. The three suspects are observed getting out of the Sorrento and fleeing in the Sorrento  
15 after the shooting. I will hereinafter refer to the black Kia Sorrento as the suspect vehicle.

16 Below is a timeline of observations I observed on surveillance video that I believed to be related  
17 to the incident:

- 18  
19                   • 08:16 AM - Victim vehicle travels southbound on North Foss Avenue  
20                   • 10:36 AM - Suspect vehicle travels southbound on North Foss Avenue  
21                   • 10:44 AM - Suspect vehicle travels southbound on North Foss Avenue  
22                   • 11:58 AM - Victim vehicle travels southbound on North Foss Avenue  
23                   • 12:06 PM - Victim vehicle travels westbound on Houghton Avenue  
24                   • 12:18 PM - Suspect vehicle travels westbound on Houghton Avenue from the  
25                   parking lot of the Charles Jordan Recreation Center  
26                   • 12:18 PM – Suspect vehicle parks on Hunt Street, just west of Foss Avenue.  
                    Three suspects get out of the vehicle and walk northbound Foss and eventually  
                    shoot at the victim vehicle traveling southbound on Foss Avenue.  
                    • 12:21 PM – Suspects are observed running southbound on Foss Avenue to the  
                    suspect vehicle parked on Hunt Street. All three suspects get inside the suspect  
                    vehicle which drives away eastbound on Hunt at a high rate of speed.

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3           The observations of the vehicles passing through the area of the incident multiple times  
4 prior to the homicide appears consistent with the subjects looking for each other or having  
5 knowledge that at least one of the groups are in the area. I know it is common for subjects to make  
6 posts on social media platforms, that show the location where they are at or going to be. I know  
7 these posts can be made via mobile devices such as cellular telephones. I know subjects can also  
8 communicate directly via telephone to communicate one's location.  
9

10           In viewing the multiple surveillance videos collected, I was able to capture images of all  
11 three suspects and the clothing they were wearing at the time of the shooting. All three suspects  
12 were observed in hooded sweatshirts with masks on, but I was able to identify some distinct  
13 clothing. One suspect wore what appeared to be a plain black hooded sweatshirt, with distinct  
14 royal blue sweat pants, and black shoes. A second suspect wore what I have identified as a grey  
15 Nike Tech Fleece sweatshirt with diagonal striping on the chest and a dark colored zipper on the  
16 left arm. This suspect wore plain grey pants and plain black shoes. A third suspect wore a black  
17 or navy hooded sweatshirt with a small, white logo on the left breast, black sweat pants with a  
18 white logo on the upper left leg, and distinct shoes that I have identified Nike Airmax 200s. Below  
19 are still photos of the suspect's clothing from the video surveillance just prior to and after the  
20 shooting on Foss Avenue. I have also included a photo of a pair of Nike shoes observed during a  
21 search warrant of the residence of OMAR OSMAN:  
22  
23  
24  
25  
26

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

13  
14                   Grey sweatshirt / Black sweatshirt and pants

15                   Royal Blue Sweatpants

21                   Closeup of suspect shoe

22                   Shoes observed in OSMAN'S residence

23  
24  
25                   The spent cartridge casings collected from the scene of the shooting on Foss Avenue were  
26                   delivered to the Portland Police Special Resources Division for IBIS/NIBIN evaluation. IBIS

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3 (Integrated Ballistics Identification System) is an investigative tool used for imaging and  
4 comparing fired cartridge cases to discover possible links to firearm related crimes through NIBIN  
5 (National Integrated Ballistic Information Network). NIBIN is a national database of digital  
6 images of spent bullets and cartridge cases found at crime scenes or test fired from confiscated  
7 weapons. The Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF), manages the system  
8 and provides for evaluation and comparison from evidence around the country.  
9

10  
11 Officer Patrick Murphy of the Portland Police Bureau conducted the preliminary evaluation of the  
12 cartridge casings and has advised me that he believed all cartridge casings recovered were fired  
13 from a total of three guns. This was consistent with the observation of video surveillance that  
14 showed three suspects appearing to fire weapons during the incident. The firearm recovered from  
15 the victim vehicle was test fired and the spent cartridge casing was evaluated as well. Officer  
16 Murphy advised it did not appear any recovered casings from the scene matched the cartridge  
17 casing collected from the test fire of the recovered firearm. Officer Murphy advised me that one  
18 casing from each of the three firearms he believed to be used at the homicide were entered into  
19 IBIS to be evaluated by a trained person at the ATF correlation center. I received a NIBIN lead  
20 notification documenting a correlation between the .40 caliber cartridge casings recovered at the  
21 scene to Portland Police case number 22-329000, which as a shooting at Cleveland High School  
22 on December 12<sup>th</sup>, 2022.  
23  
24

25  
26                   Portland Police Case Number 22-329000

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3           I have reviewed all written reports related to Portland Police case number 22-329000 and  
4 personally spoken with the lead investigator, Detective Darren Posey. From reading the reports  
5 and my discussions with Detective Posey, I learned that on December 12<sup>th</sup>, 2022, patrol officers  
6 responded to a radio call of an injury shooting at approximately 12:32 PM to Cleveland High  
7 School. Through witness statements and video surveillance review, it is believed two juvenile  
8 subjects were walking eastbound on Franklin Street on the north side of Cleveland High School.  
9 One of those subjects has been identified by witnesses, to include school staff, to be ARKANGEL  
10 HOWARD, a black male, date of birth November 20<sup>th</sup>, 2005. Two additional subjects, who have  
11 been identified as ELIJAH SARINANA, a Hispanic male, date of birth December 17<sup>th</sup>, 2005 and  
12 OMAR OSMAN, a black male, date of birth, August 6<sup>th</sup>, 2005, were observed approaching the  
13 area of HOWARD and the unknown subject.  
14  
15

16  
17           Officer Sara Fox documented she spoke with NATHAN PIER, a white male, date of birth  
18 August 31<sup>st</sup>, 1977. PIER is a teacher at Cleveland High School and stated he was in his classroom,  
19 at the corner of Franklin Street and 26<sup>th</sup> Avenue, when he heard eight to ten gunshots. PEIR said  
20 he looked out the window of his classroom and saw HOWARD, who he knows from speaking  
21 with at school, running westbound on Franklin Street. PEIR said he got down on the ground and  
22 did not see anything else.  
23  
24

25           Officer Ryan Engweiler documented he spoke with SARAH HARDY, a white female, date  
26 of birth, July 18<sup>th</sup>, 1990. HARDY stated she is a teacher at Cleveland High School and was in her

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3   classroom when she heard gunshots from outside. HARDY told Office Engweiler that she looked  
4   out to Franklin Street and could see a male subject with a gun in his hand and smoke in the air  
5   from the gunshots. HARDY said the subject with the gun and a second subject ran westbound on  
6   Franklin Street.  
7

8  
9           Officer Engweiler documented that he also spoke with VIOLET DEAN, a white female,  
10   date of birth, September 3<sup>rd</sup>, 2004. DEAN stated she is a student at Cleveland High School and  
11   was standing near a bus stop at SE 28<sup>th</sup> Avenue and Powell Boulevard when she heard gunshots.  
12   DEAN said she then saw two subjects running southbound on 28<sup>th</sup> Avenue from Franklin to  
13   Waverleigh Street, where the subjects ran eastbound. DEAN told Officer Engweiler one of the  
14   subjects was an unknown race, wearing sweatpants that she could see blood on. DEAN said the  
15   other subject was a black male, wearing sweat pants and a sweatshirt.  
16  
17

18           Officer Cristina Serrano reported that she spoke with BRANDON RUSSO, a white male,  
19   date of birth July 11<sup>th</sup>, 1997. RUSSO told Officer Serrano that he was walking his dogs on SE 28<sup>th</sup>  
20   Avenue near Tibbets Street when he heard gunshots. RUSSO said shortly after the gunshots, he  
21   observed what he believed was a white Hyundai sport utility vehicle, driving northbound on 28<sup>th</sup>  
22   Avenue at approximately 60 miles per hour. RUSSO said the vehicle had tinted windows and he  
23   could not see inside the car.  
24  
25  
26

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3           It was reported that SARINANA was dropped off at Providence Hospital, where he was  
4 treated for a gunshot wound to his leg. Seven 9 millimeter cartridge casings were collected as  
5 evidence and six .40 caliber cartridge casings were collected as evidence and delivered to the  
6 Special Resources Division for IBIS/NIBIN evaluation.  
7

8  
9           Detective Posey told me he met with MOLLY ROMAY, a white female, date of birth  
10 November 3<sup>rd</sup>, 1975. ROMAY works for Portland Public School District and provided Detective  
11 Posey with copies of video surveillance from the day of the shooting. Detective Posey advised  
12 that the video surveillance does not capture the actual shooting, which takes place out of the view  
13 of the cameras, but shows SARINANA and OSMAN together just prior to the shooting,  
14 approaching the area the shooting occurred. SARINANA and OSMAN were identified by  
15 ROMAY as known subjects to her. Detective Posey advised that based on witness statements,  
16 video review and the location of the evidence collected, he believes HOWARD fired the 9  
17 millimeter firearm and either SARINANA or OSMAN fired the .40 caliber firearm which is linked  
18 through IBIS/NIBIN to the murders of TAMRA, DAUDI and JOHNSON.  
19  
20  
21

22                   Portland Police Case Number 23-137836  
23

24           I have spoken directly with Detective Sara Clark and reviewed her warrant related to  
25 Portland Police Case Number 23-137836. In this case, Detective Clark is investigating an injury  
26 shooting that occurred on May 26<sup>th</sup>, 2023. Through Detective Clark's investigation, she has

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3 identified OMAR OSMAN as the suspect in the shooting. Detective Clark has applied for and  
4 obtained a search warrant for the residence of OSMAN, 2892, SE 90<sup>th</sup>, Place, City of Portland,  
5 County of Multnomah, State of Oregon. The warrant was issued by Judge Thomas Ryan on June  
6 16<sup>th</sup>, 2023 and was served by members of the Portland Police Bureau on June 21<sup>st</sup>, 2023. I have  
7 spoke with Detective Clark since the service of the warrant. Detective Clark told me Osman was  
8 taken into custody and booked at Donald E Long, Juvenile Detention Facility, located at 1401  
9 NE 68<sup>th</sup> Place, City of Portland, County of Multnomah, State of Oregon. I have attached a copy  
10 of Detective Clarks Affidavit for the residence of OSMAN to be incorporated herein as “Exhibit  
11 A.” Please refer to Exhibit A for details of Portland Police Case Number 23-137836.

12  
13           During the service of the warrant at the residence of OSMAN, I was contacted Sergeant  
14 Patrick Mawdsley of the Portland Police Bureau. Sergeant Mawdsley advised that during the  
15 search of OSMAN’S residence, Sergeant John Billard observed a pair of shoes that appeared  
16 consistent with the Nike Airmax 200 shoes worn by one of the suspects on the Foss Avenue  
17 shooting. Sergeant Mawdsley and Billard are part of the Portland Police Bureau’s Enhanced  
18 Community Safety Team (ECST), which focuses on gun violence. I had previously shared  
19 details and surveillance images of the shooting of Foss Avenue with members of ECST.  
20 Sergeant Mawdsely texted me a photo of the shoes observed in OSMAN’S residence. I attached  
21 a copy of the image next to the previously posted surveillance images.

22  
23           I directly spoke with Sergeant Billard via telephone. Sergeant Billard advised he  
24 observed the shoes inside a translucent plastic bag, sitting in the threshold to a coat closet just  
25 inside the front entry to OSMAN’S residence. Sergeant Billard said he did not open or remove  
26 the shoes from the bag.

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3           Detective Sara Clark told me that while searching the bedroom that she believed to  
4 belong to OSMAN, she observed two cellular telephones. Detective Clark advised she did not  
5 include cellular telephones in her warrant and they were left at the scene. Detective Clark also  
6 advised she observed the residence of OSMAN appeared to have a video surveillance system.  
7

8           I personally observed OSMAN inside a holding cell at East Precinct, where he was  
9 transported after being placed into custody during the service of the search warrant. I noted  
10 OSMAN'S stature appeared consistent with that of the suspects observed on video surveillance  
11 at the shooting on Foss Avenue.  
12

13                                   **IV.**  
14

15           I know OMAR OSMAN, a black male, date of birth, August 6<sup>th</sup>, 2005, is currently in  
16 custody of the Donald E Long, Juvenile Detention Facility, located at 1401 NE 68<sup>th</sup> Place, City  
17 of Portland, County of Multnomah, State of Oregon.  
18

19           I know based on statements by Detective Clark that the residence of 2892 SE 90<sup>th</sup> Place,  
20 City of Portland, County of Multnomah, State of Oregon, is a one story, single family residence  
21 located on SE 90<sup>th</sup> Place on the east side of the roadway, north of Powell Boulevard. The  
22 residence is cream in color, with a white garage door and brown trim. The numbers 2892 are  
23 affixed vertically in black letters to the right of the garage door. The primary door to the  
24 residence is recessed from the front of house and is located to the east of the garage. I know a  
25 search warrant was served on the residence on the morning of June 21<sup>st</sup>, 2023 and Portland  
26 Police Personnel are currently present at the house.

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3           I know that based on my training and/or experience, persons who commit crimes such as  
4 Murder often attempt to conceal evidence of their involvement in such crimes. Persons who  
5 commit these types of crimes will conceal such evidence, including, weapons, clothing, cellular  
6 phones, and other trace evidence, in areas both familiar and immediately accessible, such as  
7 residences and vehicles, or if they are transient, upon their person and in their possessions.

8  
9           I know the residence has already been searched for firearms and firearm accessories and  
10 that the residence is currently vacant.

11  
12          I know from my training and experience that clothing and apparel can assist in the  
13 identification of suspects of a crime. I know it is common for clothing and apparel to be stored in  
14 the residence or vehicle of the subject it belongs to.

15  
16          I know from my training and/or experience as a police officer and detective, it is common  
17 for suspects involved in criminal acts like those described above, to use their cellular telephones  
18 to make or receive phone calls or to send or receive text messages. Those communications will  
19 often occur in the vicinity of the locations where the crimes are committed to coordinate efforts of  
20 the crime or escape from the scene.

21          I know from my training and experience as a detective and from the above details of this  
22 investigation, that information obtained from cellular service providers such as Verizon Wireless,  
23 T-Mobile/MetroPCS, Sprint Corporation and AT&T Wireless, that reveals the cellular towers  
24 (and, where applicable, sector) that were used by a given cellular device to engage in a particular  
25 communication, can be used to show that the device was in the general vicinity of the cellular  
26 tower at the time the communication occurred. Thus, those records will likely identify the cellular  
devices that were in the vicinity of the crime scenes at times which are relevant to the investigation

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3                   currently in custody of the Donald E Long, Juvenile Detention Facility, located at  
4                   1401 NE 68<sup>th</sup> Place, City of Portland, County of Multnomah, State of Oregon.

- 5  
6                   • To search the residence and curtilage of 2892 SE 90<sup>th</sup> Place, City of Portland,  
7                   County of Multnomah, State of Oregon.

8  
9                   To search for items of evidence for the crimes of Murder in the First Degree with a Firearm,  
10                  as defined by Oregon Revised Statute 163.107, and Unlawful Use of a Weapon with a Firearm, as  
11                  defined in Oregon Revised Statute 166.220 in relation to Portland Police Case Number 23-77440.

12                 Items to be searched for, seized, tested, and analyzed will include the following:

- 13  
14                 • Nike Airmax 200 shoes (White with dark trim)  
15  
16                 • Royal blue sweat pants  
17  
18                 • Grey sweatshirt with dark diagonal striping across chest and dark colored zipper  
                    on left arm.  
19  
20                 • Dark colored, hooded sweatshirt with white logo on left breast  
21  
22                 • Dark colored sweatpants with white logo on upper left thigh  
23  
24                 • Cellular telephones, tablets, GPS devices (to be seized only- any request to search  
                    will be made in an additional search warrant application)  
25                 • Hard drives or storage devices associated with home surveillance systems (to be  
26                 seized only- any request to search will be made in an additional search warrant  
                    application)

1                   **IN THE CIRCUIT COURT OF THE STATE OF OREGON**  
2                   **FOR MULTNOMAH COUNTY**

3           I further request the court authorize me or agents assisting me to deliver any evidence  
4 collected to the Oregon State Police Crime Laboratory for purposes of testing, analysis and  
5 comparison testing. In regards to the seizure of cellular telephones and electronic devices, this  
6 affidavit and warrant only authorizes the seizure of those items, with any search and analysis to be  
7 conducted pending further affidavits specifically authorizing the search and analysis of the device.  
8  
9

10                   **Request to Seal**

11  
12           I know from training and experience that premature disclosure of the contents of this  
13 affidavit would jeopardize the investigation because it could release information known only to  
14 law enforcement. This could allow information to be released that could otherwise be used to  
15 check the accuracy of information given by witnesses and suspects. Based on the foregoing, I  
16 request the affidavit be sealed until further ordered by the court.  
17

25                   Multnomah County Circuit Court Judge  
26

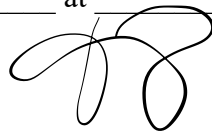

- Dark colored, hooded sweatshirt with white logo on left breast
- Dark colored sweatpants with white logo on upper left thigh
- Cellular telephones, tablets, GPS devices (to be seized only- any request to search will be made in an additional search warrant application)
- Hard drives or storage devices associated with home surveillance systems (to be seized only- any request to search will be made in an additional search warrant application)

You, other Detectives with the Portland Police Bureau, Criminalists from the Portland Police Bureau Forensic Evidence Division and/or Forensic Investigators with the Oregon State Police Crime Lab, or any other sworn law enforcement within the State of Oregon, are further authorized to process, test, photograph and/or search the above evidence, with the exception of the cellular telephones, tablets, GPS devices, hard drives, or electronic storage devices, which are authorized to be seized only but not searched without subsequent search warrant authorization.

You are further directed to make return of this warrant to me within five (5) days after execution thereof. This warrant may be executed at any time of the day or night. It is further ordered that the contents of this search warrant and affidavit be sealed until further ordered by the court.

ISSUED over my hand on \_\_\_\_\_ at \_\_\_\_\_ a.m. / p.m.
